

POSTER INFORMATION

The exact date and time of the Poster Session for this workshop has yet to be decided. Once the Programme is posted on the workshop website you will be able to view the confirmed date/time.

- On arrival at ICMS, you will be asked to hand your poster to ICMS staff. If it is still at the printers, during one of the coffee/lunch breaks early in the workshop. ICMS staff will put up your poster (using Velcro 'fixers') during the lunch or afternoon break on the day of the poster session. The poster can then remain up for the duration of the workshop.
- There are no restrictions on the size of your poster and it may be either Portrait or Landscape. A1 Portrait fits neatly onto one of our poster boards, however, as we are able to clip the boards together, we have no problem in accommodating any reasonable size.
- If you wish to change your poster title in any way, please let me know the new title as it will be displayed on the workshop website in the 'Presentations' section and printed in the registration pack. I'd need to know of any changes one week prior to the workshop to allow for printing.
- The Registration Pack will list the title of the poster and the name of the presenting author only. No abstracts will be printed.
- If you need to print your poster when you arrive in Edinburgh, there is a print shop in the same street as ICMS. It is CALLPRINT and the website is:

If you have any questions about the poster session, please do not hesitate to contact me by email.
