Retreat for Women in Applied Mathematics 2024

# **IMA Professional Membership for Mathematicians**

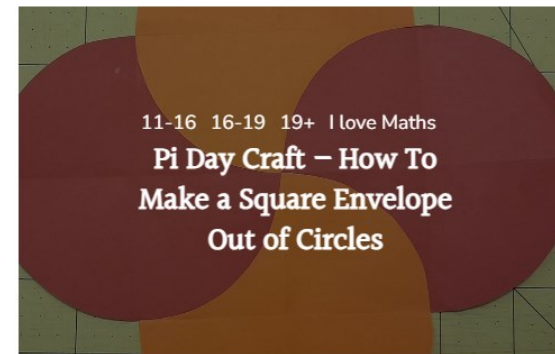

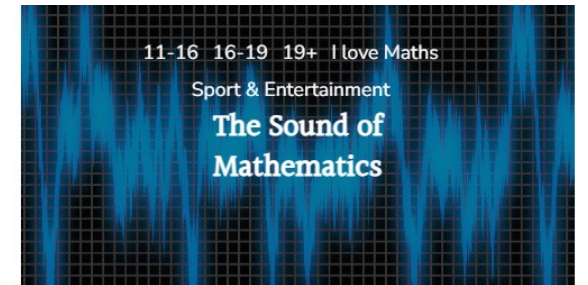

**10<sup>th</sup> January 2024**  
**Jenny May Roberts**

# WHO ARE THE IMA?

- We are the UK's chartered professional body for mathematicians and the wider society.
- We were founded in 1964, became royal chartered in 1990
- A registered charity, to support the advancement of mathematical knowledge and its applications and to promote and enhance mathematical culture
- With over 5000 members worldwide and growing, we unite and support mathematicians from a diverse range of professions
- Membership demonstrates a commitment to career development and maintaining professional status.

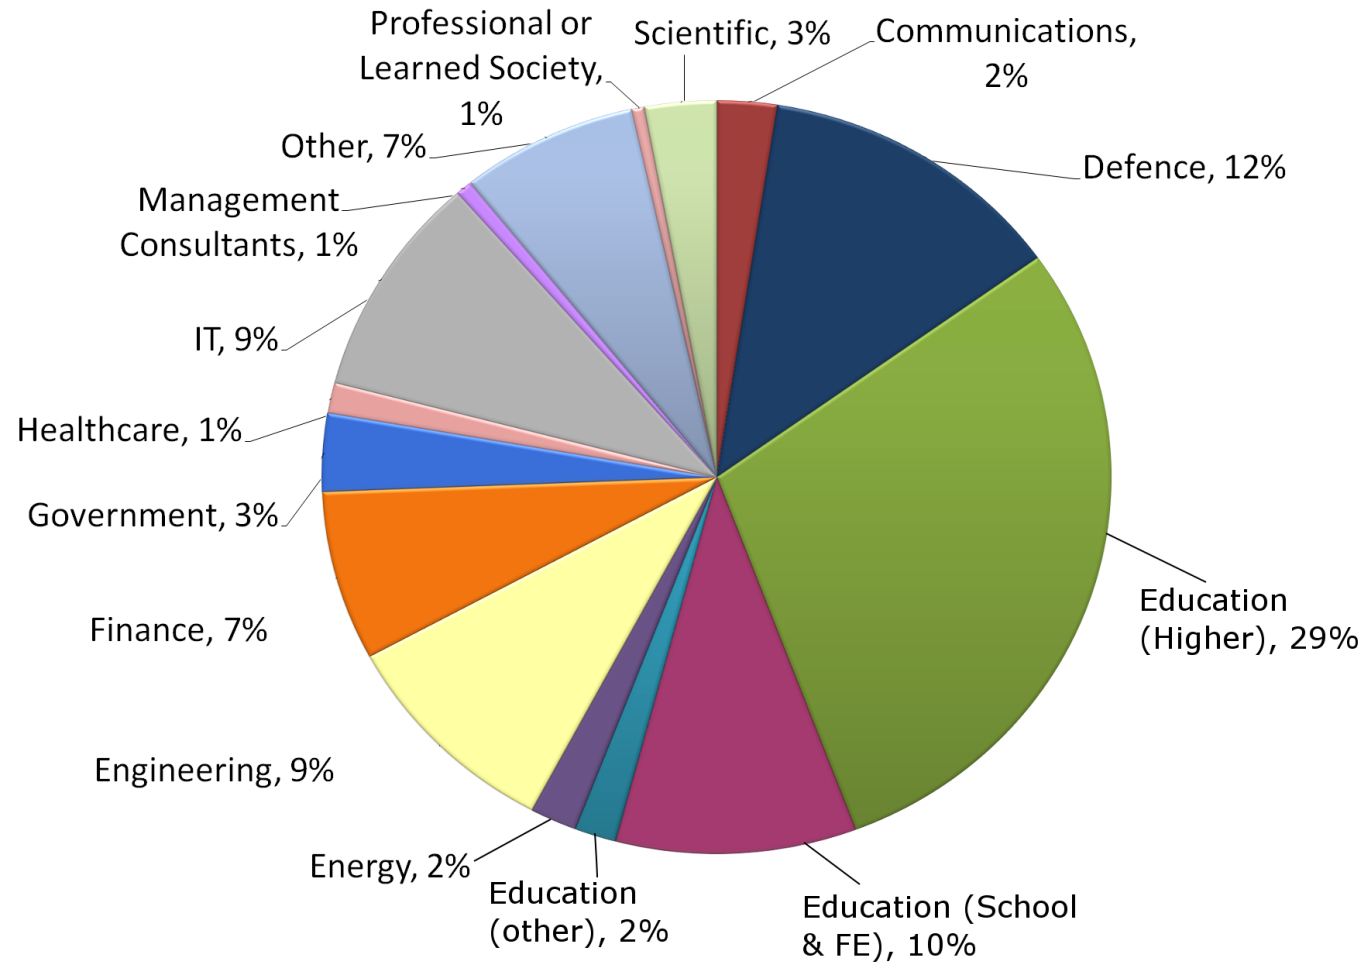

**Recognition – Development – Participation - Information**
