## **CCI25 Accommodation Options**

There are three main options for accommodation at the conference. Edinburgh is a popular tourist destination and popular hotels can get fully booked quite early. We advise you to secure your accommodation as early as possible.

#### **University accommodation: Paul Stobart Building**

- We have 20 rooms reserved for conference delegates in university's visitor accommodation facility at the rates of £84.00 (Single Occupancy) and £96.00 (Double Occupancy) per night. Please not breakfast is not included.
- The Paul Stobart Building is centrally located on campus, just a short walk from the main Heriot-Watt reception and the National Robotarium.
- Availability is limited and rooms will be allocated on a first-come, first-served basis. These 20 rooms will be held for CCI25 delegates **13 May 2025**. After this date, any remaining rooms in that block will be released, and bookings will depend on general availability at the hotel.
- Details on how to reserve these rooms can be found on here (page 3).

#### **Campus hotel: Marriott Courtyard, Edinburgh West**

- The Marriott Courtyard Hotel is based on campus, a short walk to and from the National Robotarium.
- Here (page 4) are the details of how to book at the Marriott. This gives conference delegates a 20% discount against standard rates. There are very limited number of rooms at this hotel, and rooms would be subject to availability and rate change at the time of booking.
- However, please also search for other special offers (e.g. a 3-night discounted rate not linked to the conference) to make sure that you get the best rates. Please also compare prices with those available through general hotel booking engines.

#### Off campus hotels and other accommodation

- See here (page 5) of this document for suggestions.
- City centre hotels are marked with an asterisk. These are typically in the area between Princes Street and Haymarket and are convenient for the main bus routes from the city centre to campus with a typical journey time of 30-45minutes depending on the time of day and your hotel location (see <a href="https://www.lothianbuses.com">www.lothianbuses.com</a>). There are many other hotels in the same area and those listed are just indicative of the range of hotels available and locations rather than specific recommendations. Other city centre locations near
- alternative bus routes to campus are around the Grassmarket and Tollcross areas (e.g. search for Grassmarket, Lauriston Place or Bread Street).

- West Edinburgh hotels (no asterisk). These are located nearer to the campus (and are also nearer the airport) but are typically not on a frequent bus route and so require a car, minibus or taxi to get to campus.
- As with the Marriott, please do check hotel booking engines as well as hotel websites to get the best prices for your stay.
- Short-term lets. Edinburgh also has a wide range of short-term lets available for small groups who prefer to stay in an apartment rather than a hotel.

#### Disclaimer:

For all accommodation options you should check yourself that the chosen accommodation meets your requirements in terms of quality and location.
